Sharon Ashburn has a magic touch in the kitchen! She is indeed a gourmet chef who shows attention to detail and presentation.

Sharon arranged a party for 35 guests at our home. She served beautiful appetizers and a delicious buffet dinner. The evening was a great success. We have also attended other parties by the Stay at Home Chef that were equally successful.

The thought of coming home to Sharon's famous Elk Chili and bread pudding after a day of skiing, without going into the kitchen, is a treat for all.

We highly recommend the Stay at Home Chef.
